VALPOLICELLA DOC VOLTARE

---

DESCRIPTION

The Valpolicella Volpare, produced with the Rondinella, Corvinone, Corvina and Molinara grape varieties, is the wine that is closest to its land of origin: the Valpolicella region.

MATURATION

Well-balanced and refined, even in its simplicity, it has a bright ruby red color and pleasant scents of cherry.

SERVING SUGGESTIONS

This is a wine that retains a certain freshness of flavours; it pairs well with various courses of the meal. It should be served at a temperature of 18° C.
